White, of Winchester, the Republican nominee addressed a large audience of voters Monday evening in the Courthouse. This was their first joint discussion since the beginning of the campaign.

Mr. Hopkins seems to have quite an advantage over Mr. White in oratorical powers. The reception held on Monday night was attended by about 150 persons. Those present were entertained by short speeches from Hon. F. A. Hopkins, A. J. Kirk and Prof. Jas. F. Record. Wholesome refreshments were then served to the delight of all.

TEARFUL OR CHEERFUL?

Whether a woman is tearful or cheerful depends on what she has said to her physician. Many an intelligent husband is driven almost to despair by the tearful outburst of a wife who has "everything she wants." He wishes to know what the matter is but the wife can't tell. She only knows that she is depressed and despondent. Such a condition is usually related to some form of mental disease.

Doctor Pierce's Psychotherapy changes tearful women to cheerful company through the diseases which cause physical weakness and depression of spirits. It establishes regularity, dries unhealthy drains, heals inflammation and infection, and cures mental weakness.
